

Adelante Healthcare

What is a Community Health Center

Community-based and patient-directed organization that serve populations with limited access to healthcare

- Serve low income and medically underserved communities.
- Increase access to crucial primary care by reducing barriers such as:
 - Cost
 - Lack of insurance
 - Distance
 - Language

Adelante Begins

1979 founded a part-time clinic staffed by Dr. Robert Tidwell

- Adelante Healthcare received its first Federal 330 grant in 1979.
- We started as an agricultural, mostly rural clinic serving farmworkers and their families in El Mirage, AZ
- Currently have nine health centers in Maricopa County serving over 70,000 patients.
