Domestic and Sexual Violence Advocacy Program

Rural Program Grant from Department of Justice Office on Violence Against Women, since 2007

Funds specifically targeted to rural areas in Arizona, advocates located at 4 rural sites in Arizona.

- Universal and confidential screening and referral
- Advocacy: Crisis Intervention, Safety Planning, Referrals
- Lay Legal Advocacy: OOP, Court Support, Info on Legal Process
- Outreach/Education: Schools, Community Events, Presentations
- Training for Professionals: Law Enforcement, Health Professionals, Faith-Based Organizations

Why does it make sense to have an advocate at a Health Center?

The health of victims of domestic violence:

80% more likely to have a stroke

70% more likely to have heart disease

60% percent more likely to have asthma

70% percent more likely to drink heavily
